Directions To / From Other SlowExposures Event Locations

Here are directions to other SlowExposures destinations in and around Pike and Meriwether County for the weekends of September 18-20 and September 25 - 27.

Wherever possible, we have included addresses for the GPS-savvy among us. However, we encourage you not to completely trust GPS out here and strongly suggest that you print a copy of these directions now and put them in your car. They will come in handy, as some locations are off the map and the GPS. Also, many cell phone providers do not work well in this area, except for Verizon.
